

**GET** is involved, among other things, in live entertainment, sound systems and talent product development. We can provide “last mile” services to satellite Internet/Wi-Fi providers as well. We also offer global consulting services that includes introducing parties that have viable deals around the world with people who can help get those deals funded.

**GET** has merged **Radioactivity, Inc.**, into **GET** to gain several consulting services that encompass all facet of broadcasting including but not limited programming, music selection, research – large scale, focus and one-on-one reach, operations, promotions marketing, advertising, engineering and management. This also includes providing appraisals and beyond just media in general and radio in specific to a new level of business consultation that has global applications.

Since 1975, Radioactivity has assisted over 350 stations with a variety of consulting services domestically and internationally. Here are some of the formats and services we’ve help to create and market:

**Mainstream – The Music Wave**

**The Big Kahuna**

**Segue City**

**The Country Side of Life**

**El Jefe Grande**

**South of the Border Saturday Night**

**The Dixie Flyer Hour**

**Timeless Classics**

**Jazz Flavours**

**Wisplinx**

**The Miracle Wonderland Radio Company**

All the existing Radioactivity Promotion promotions, including the nationally servicemarked contest/promotion – **The Best Contest** <sup>SM</sup>

**Domain names for use with GET, including but not limited to:**
